

# Cross Channel Checkout

At Skytrek, we are lucky to be so close to mainland Europe and our PPL members should take advantage of this by flying to great places such as **Calais, Dieppe** and of course the pretty seaside town of **Le Touquet**.

We welcome our members flying Skytrek aircraft to Europe and all we ask is that you undertake a one off, simple cross channel checkout with one of our instructors to introduce you to the outside UK flying experience.

Flying aircraft abroad is no problem. The aircraft doesn't care (or know) where it is, over water or in a foreign country. Most of the obstacles are purely administrative, and once you've cracked the paperwork there's nothing more to it!

- Less than one hour flying time each way in a.
- Experience French ATC
- Learn Flight Plan submission procedures
- Learn Customs forms and procedures
- Learn what to take with you in the way of documentation
- Learn what to take with you in the way of safety equipment

Le Touquet is less than one hour from EGTO and you can share a C172 and **undertake the checkout with another member to keep the costs down** (one is P1 out and the other P1 back).

Remember, you only pay for the dual rate flight time and the landing fee at Le Touquet

**YOU WILL NOT REGRET DOING THIS – IT OPENS UP A WHOLE NEW FLYING EXPERIENCE AND GREAT DAYS OUT.**

Le Touquet Airport is 25 minutes' walk from the centre of the town or 10 minutes by taxi and you can also hire bikes!
